

THAMES VALLEY POLICE

CONSTABLE ROLE SPECIFICATION

Role Title:	Detective Constable – Forensics	Department:	Forensic Management Team
Reports To:	Detective Sergeant	Location:	Counter Terrorism Policing South East (CTP SE)

Purpose of role:	Implement forensic strategies to service the needs of highly sensitive, covert and overt Counter Terrorism (CT) operations. Manage covert and overt exhibits in support of Counter Terrorism Policing South East (CTPSE) investigations.
Principle Responsibilities:	<ol style="list-style-type: none"> 1. Attend terrorism-related incidents such as unexploded and exploded bomb or CBRN scenes, and to take responsibility as a scene examiner for the effective management of such incidents. Give professional advice on examinations of the related premises, vehicles and locations, ensuring that the forensic strategy set by the CTSIO is delivered. 2. Be responsible on behalf of the CTSIO for the management of all exhibits generated within a CT investigation, including exhibit handling, scene management, scene examination, submission of exhibits and liaison with external forensic suppliers/external experts. 3. Evaluate the scene/incident and identify which techniques should be used and their order of use to maximise potential evidence/intelligence gathering and avoid destruction of the same, including pre-assessment and preparation of scenes prior to covert intelligence gathering operations and overt/covert post-event examinations. 4. Undertake scene examination techniques including explosive and firearms trace work and digital photography in order to ensure that evidence/intelligence is recovered effectively. Maintain an awareness of current research and developments in other techniques, advances in DNA, footwear marks, fingerprints and specialist firearms examinations. 5. Prioritise, analyse and interpret intelligence/evidence at the scene and through later technical examination, identifying the most appropriate forensic techniques to optimise intelligence production/crime detection. 6. Provide specialist advice on scene preservation, examination and techniques to ensure effective conservation and retrieval of evidence/intelligence from terrorism related scenes, whilst conducting proactive and reactive liaison between all interested parties.

	7. Maintain knowledge and ensure compliance with all relevant legislation to include Terrorism Act 2000, Health and Safety, Human Rights legislation, Criminal Procedure & Investigations Act (CPIA), as well as adherence to the CT Forensic Management Team Standard Operating Procedures.
	8. Deliver hospital and mortuary liaison and forensic procedures, including the recovery of exhibits from casualty-receiving hospitals and those surgically recovered from injured/deceased persons, assisting HM Coroner as directed and acting as point of contact between hospitals/HM Coroner and the Police.
	9. At a practitioner level to represent the regional counter terrorism unit at hazardous, Disaster Victim Investigation (DVI) and Chemical Biological, Radiological and Nuclear (CBRN) incidents.
