

Police Officer – Promotion Reference Form

Application for Sergeant Rank

The S22a for CTPSE and SEROCU allows officers to apply for regional roles on promotion however support must be obtained from their line manager which will include the relevant Divisional Commander / Head of Department and Home Force.

Where an individual be promoted via a regional process then will not normally be able to secure further promotion within the region other than in mutually agreed circumstances.

If a Posted Individual is unsuccessful in any promotion process they will not be supported for a further promotion opportunity within six months of that process unless there is clear evidence that the developmental issues identified have been addressed.
